Dear \_\_\_\_\_,

It's another wonderful fall season at Roland Park Presbyterian Church. As the leaves change and we enter another giving season, we are looking forward to launching this year's Pledge Campaign, "Stewardship in Action."

Though fall is the time of year we hear about it most often, stewardship is a year-round endeavor. It is all the ways we put our faith into action, making a real difference in the world around us. This year we will be focusing on the impact our giving makes in and through our congregation.

Beginning October 22<sup>nd</sup>, we started by inviting members of our key committees and groups within our church to share a little about how stewardship supports the church and provides a lasting impact in the community. Our hope is that this demonstrates the impact of the support given to RPPC through action, donation, and giving. We will continue these weekly messages until Sunday, November 12<sup>th</sup>.

We ask that you prayerfully consider making a commitment of support to the mission and ministry of our church in the coming year. You may express your pledge by completing and returning the enclosed estimate of giving card by **Tuesday, November 14<sup>th</sup>**. We invite you to 1) bring your card to church or mail it in, or 2) make your intentions known securely via the church website: <http://www.rolandparkchurch.org/give/>.

As we all know the size of the church isn't the number of people in the pews on Sundays but the impact the church has in the community, neighborhood, city, and state in which it resides.

Sincerely yours,

Nicole Allen, Chair  
Annual Giving Campaign
